### Wheatheart | GULP Drive Over Hopper

The GULP Drive Over Hopper is the most efficient grain auger accessory on your farm. Through quick and easy equipment deployment and the lowest profile drive over with the largest catchment capacity the GULP saves you time on every truck load.

- Transports with your auger, no disconnecting necessary
- Lowest profile 4.5" drive over height, works with any truck
- Large 52" x 80" catchment area

Visit [wheatheart.com/GULP](http://wheatheart.com/GULP) to watch the GULP product video.
